

EIPA Score Improvement: Practical Steps

About

This training will focus on several sections of the Educational Interpreter Performance Assessment (EIPA) that can be improved in a relatively short amount of time to see an increase in the overall score:

- Domain 1: A, Stress or emphasis for important words or phrases
- Domain 1: E, Sentence types and clausal boundaries indicated
- Domain 2: E, F, G, Speech production, sentence and clausal boundaries indicated, and sentence types
- Domain 3: E, F, H, Key vocabulary represented, production of fingerspelling, and appropriate use of fingerspelling

Throughout this training, we will delve into the proper production and representation required for the domains above and learn how to integrate them into the work to yield a higher EIPA score.

This workshop will be presented in American Sign Language.

Audience

This workshop is for educational interpreters who are serving students in Michigan. Interpreter training program (ITP) students are also welcome to attend.
