

## 2021 Michigan Regional Braille Challenge

### **BRAILLE CHALLENGE IS GOING VIRTUAL THIS YEAR!**

Students who are Blind/Visually Impaired (BVI) and read braille are invited to participate online in the 2021 Michigan Regional Braille Challenge. Braille Challenge is an academic competition unlike any other; this two-stage contest is designed to motivate students who are BVI to emphasize their study of braille, while rewarding their success with fun-filled, but challenging, regional and national events. An adult family member is required to be present with students participating in the Michigan Regional Braille Challenge.

This event is sponsored by the Michigan Department of Education - Low Incidence Outreach.
