

2019 Braille Challenge

2021 Virtual Braille Challenge

2022 Michigan Regional Braille Challenge

Braille Challenge offers many options for participation this year!

Students who are Blind/Visually Impaired (BVI) and read braille are invited to participate in the 2022 Michigan Regional Braille Challenge online or in person. Braille Challenge is an academic competition unlike any other. This two-stage contest is designed to motivate students who are BVI to emphasize their study of braille while rewarding their success with fun-filled, but challenging, regional and national events.

This event is sponsored by MDE-LIO in partnership with Genesee Intermediate School District (ISD) and Kent ISD.
