

2023 Michigan Regional **Braille Challenge**

Braille Challenge offers many options for participation this year!

Students who are Blind/Visually Impaired (BVI) and read braille are invited to participate online or in person in the 2023 Michigan Regional Braille Challenge. Braille Challenge is an academic competition unlike any other; this two-stage contest is designed to motivate students who are BVI to emphasize their study of braille, while rewarding their success with fun-filled, but challenging, regional and national events.

This event is hosted by MDE-LIO in collaboration with Kent Intermediate School District (ISD) and Genesee ISD.

Audience:

This event is for students in Michigan who are in grades 1-12 and read braille.

Can't attend Braille Challenge in person or online?

Contact Johanna Brutvan at brutvanj@michigan.gov or 517-599-5686 to take the challenge with your teacher for the visually impaired anytime during the competition window.
