

## Let's Get Together

### About

Do you know an elementary student in the mainstream setting who would like to connect with other children who are Deaf or Hard of Hearing (DHH)? This event will allow students to have fun and connect with others around Michigan who understand their unique experiences.

#### Highlights:

- Connect with peers who are DHH.
- Participate in activities to build self-concept, self-identity, and self-advocacy skills.

An American Sign Language (ASL) interpreter and captioning will be provided during this event. It is important for participants to request any other accommodations at least three weeks prior to the online event. Outside agencies MDE-LIO contracts with to provide accommodations cannot guarantee services if requests are made in less than three weeks.

### Details
