

DHH Student Hangout

About

At this virtual event, middle-school and high-school students are invited to meet other students who are deaf or hard of hearing (DHH) from across the state. Students will have an opportunity to connect, have fun, and learn from each other's unique experiences.

Accessibility Accommodations:

It is important for participants to request accessibility accommodations (e.g., American Sign Language interpreter, captioning) at least three weeks prior to the event. Outside agencies our office contracts with to provide accommodations cannot guarantee services if requests are made in less than three weeks.
