

## Clinical Evaluation of Language Fundamentals – Preschool (CELF-P3) Training

### About

This three-hour interactive training, provided by Pearson, will offer a practical introduction to the Clinical Evaluation of Language Fundamentals – Preschool (CELF-P3) assessment. Perfect for early childhood school personnel who are new to the tool or those who need a refresher, this session will cover the essentials of subtest administration, scoring, and basic interpretation of results.

Accurate administration and interpretation of any language assessment is essential for supporting language development, identifying language delays, and planning effective interventions. Join us as we dive into supporting accurate and effective language assessment of preschool-aged children with the CELF-P3.

The CELF-P3 is a Language Equality and Acquisition for Deaf Kids (LEAD-K) Michigan recommended assessment.
