

Foundations for the Future: ECC Skills for Young Learners

About

The expanded core curriculum (ECC) is a critical component of educating students who are blind/low vision. Join us to gather practical strategies, resources, and activity ideas to incorporate the ECC into your lessons for young learners. Don't miss out on this great opportunity to gain ideas to help your students flourish!

Audience

This event is for adult family members and school personnel who work with students who are blind/low vision.
