

Moms Connect and Renew

About

Join us for this overnight event for women who are raising children who are blind or low vision (BLV) and/or deaf or hard of hearing (DHH). Surrounded by the beauty of the woods at Camp Tuhsmehta (Camp T), moms will appreciate a time to slow down and connect through conversation, laughter, and shared experiences. Participants will have an opportunity to enjoy a walk in the woods, play games, make s'mores by the campfire, and build community with other women on similar mothering journeys. We hope to see you there.

Audience

This event is for women in Michigan raising children who are BLV and/or DHH.
