

## Addressing Needs of Students in Rural Areas Who Are DHH

### About

Addressing the diverse needs of students who are deaf or hard of hearing (DHH) within an itinerant model presents unique challenges, particularly in rural settings. Join us for a full day of collaboration and learning focused on strategies to meet diverse needs and ensure the least restrictive environments for students who are DHH. Be ready to engage and learn collaboratively as we share insights and best practices.

This event is offered in collaboration with Northwest Education Services (NWES).
