

Northern Connections Camp: Bringing BLV Families Together in the UP

About

Families of students who are blind/low vision and live in Michigan's Upper Peninsula are invited to attend an enriching getaway at Bay Cliff Health Camp. Families will have an opportunity to connect with each other and build relationships while participating in recreational activities such as peaceful guided hikes, goalball sessions with experts, making arts and crafts, and enjoying interactive campfires. Come experience the beauty of nature while creating meaningful bonds in a supportive and inclusive setting.

This camp is hosted by Camp Tuhsmeheeta (Camp T), part of the Michigan Department of Education Resource for Blind/Low Vision (MDE RBLV). We are committed to making this event available to those who would like to attend. If cost is a barrier, please contact us at mde-lio-events@michigan.gov.

Audience

This event is for families living in the Upper Peninsula with students who are blind/low vision, in kindergarten through 12th grade.
