

Confidently Administering the American Sign Language Receptive Skills Test (ASL-RST)

About

Ready to deepen your understanding of the American Sign Language Receptive Skills Test (ASL-RST)? Join MDE RDHH and Northern Signs Research for a dynamic one-hour virtual workshop packed with insights! Discover the key components, learn best practices for administration, and gain the confidence to use this assessment effectively.

The ASL-RST is a Language Equality and Acquisition for Deaf Kids (LEAD-K) Michigan recommended assessment.

Audience:

This workshop is for Michigan school personnel who work with children who are deaf or hard of hearing, are ages 5 and younger, and use American Sign Language to communicate.
