

## O&M Assessment in Action: Outdoors

### About

Join MDE RBLV for an in-person workshop to review and practice outdoor orientation and mobility (O&M) assessment for students who are in preschool through postsecondary. Explore O&M assessments, learn techniques for engaging students, and participate in discussion about methods for assessing street crossings, orientation, and additional outdoor travel skills.

#### Audience

This workshop is for O&M specialists, as well as college students studying O&M.
