

Fine Arts Camp

About

Campers will have an opportunity to explore their creative talents among friends at this camp designed for students who are blind or low vision. Whether they enjoy playing an instrument, singing, acting, creative writing, hands-on design, or all of the above, this camp is where they can practice and showcase their creativity in an accessible format. Campers will work together as a cast and crew to perform a fun show for families at the end of the camp. Prior experience is not necessary.

Families are invited to join us for lunch, followed by a final performance by the campers.

Audience

This event is for students in Michigan, ages 10-17, who are blind/low vision.
