

## Fine Arts Camp

### About

Campers will have an opportunity to explore their creative talents among friends at this camp designed for students who are Blind or Visually Impaired (BVI). Whether they enjoy playing an instrument, singing, acting, creative writing, hands-on design, or all of the above, this camp is where they can practice and showcase their creativity in an accessible format. Campers will work together as a cast and crew to perform a fun show for families at the end of the camp. Prior experience is not necessary.

Families are invited to join us for the final performance and to celebrate Camp Tuhsmeheeta's 50th anniversary with a picnic lunch.
