

American Sign Language Expressive Skills Test (ASL-EST) Training

About

Join us for a two-day virtual training on the American Sign Language Expressive Skills Test (ASL-EST) offered by Northern Signs Research. The training will incorporate a combination of pre-recorded presentations, online learning, and practice sessions to cover the following topics:

- ASL-EST Overview
- Signed Language Acquisition
- ASL Grammar
- Narrative Development
- Test Administration and Scoring Procedures

Completion of all components of this training meets certification requirements for use of the ASL-EST.

The ASL-EST is a Language Equality and Acquisition for Deaf Kids (LEAD-K) Michigan recommended assessment. This training will include all ASL-EST assessment materials. Materials will be mailed to participants ahead of the training.

Details

When:

September 11, 2026, 5 - 8 p.m. EST
September 12, 2026, 10 a.m. - 1 p.m. EST
