Perkins in Michigan: Assessment to Interventions

About

Assessment to Action with Perkins Protocol: Join MDE RBLV and a Perkins Protocol team member for a full day of learning and collaboration! We'll dive into how to move from assessment to meaningful intervention, breaking down practical ways to apply the Perkins Protocol's recommendations in your everyday work. This is a great opportunity to connect with others, ask questions, and leave with real strategies you can use right away.

Audience

This workshop is designed for teacher consultants of students who are blind or have low vision, orientation and mobility specialists, professionals working with students with cortical visual impairment (CVI), and anyone interested in learning more about interventions from the Perkins CVI team.
