

# Save the Date!

## Family Adventure Day at Camp T

January 30, 2016

Families will love this winter time “Adventure Day” at Camp Tuhsmeheeta. We will be offering expanded core curriculum activities for students and their families in a fun and relaxed setting.

The theme for the day is “Warming Up at Camp T.” Activities are designed for the whole family with a special focus on outdoor recreation and leisure (snowshoes, sleds, fire-building, and s’mores).

Lunch will be provided (families will help make)!

*Stay tuned for registration information at [www.mdelio.org/blind-visually-impaired/events](http://www.mdelio.org/blind-visually-impaired/events).*

## Family Camp Weekend

June 17-19, 2016

Family Camp Weekend is an opportunity for families to spend time together, learn about expanded core curriculum activities, and enjoy the great outdoors.

Partnering with the Michigan Parents of Children with Visual Impairments (MPVI), Michigan Department of Education-Low Incidence Outreach (MDE-LIO) is excited to provide this second annual Family Camp Weekend.

Families will meet new friends, spend time outside, and have opportunities to learn practical skills they can take back home and use right away.

*Stay tuned for registration information at [www.mdelio.org/blind-visually-impaired/events](http://www.mdelio.org/blind-visually-impaired/events).*

## Explorer Summer Camp (MDE-LIO) Aug 15-20, 2016.

Middle school and high school students will love spending time at summer overnight camp! Stay tuned for registration information at [www.mdelio.org/blind-visually-impaired/events](http://www.mdelio.org/blind-visually-impaired/events).

If you or someone you know is interested in volunteering for one or more of the events, please contact MDE-LIO. We rely on our strong network of volunteers to help make the events possible!
