

Camp T Youth Goalball Clinic

About

Camp Tuhsmeheeta (Camp T) and the Michigan Blind Athletic Association (MBAA) are partnering to offer two goalball clinics. Come and meet the new camp consultants, Leanne Merren and four-time Paralympic goalball player Tyler Merren!

Each goalball clinic will allow students, in grades 4-12, who are Blind/Visually Impaired, to learn goalball rules and basic skills. The clinics will offer training in new skills and will allow students and immediate family members to explore the exciting game of goalball. Participants are not required to attend both clinics. Siblings in grades 4 -12 and parents are encouraged to participate.

Parental supervision is required.

Participants will engage in:

- goalball skills
- social skills
