

## Camp Tuhsmeheeta Spring Gardening Event

### Event Description

Our garden beds are ready to be weeded, tilled, and planted with a variety of vegetables and herbs! This May, Camp Tuhsmeheeta (Camp T) invites families of children and youth who are Blind/Visually Impaired to come work in the garden, do some spring cleanup, and enjoy the outdoors together.

Gardens offer a wonderful opportunity to work with our hands, enjoy nature, and socialize together, so bring some work gloves, a hat, and your passion for plants! The day will be filled with other fun activities such as rock painting, juicing, games, lunch, and more.

Camp T is owned and operated by the Michigan Department of Education - Low Incidence Outreach (MDE-LIO). To learn more about Camp Tuhsmeheeta, visit [www.camptuhsmeheeta.org](http://www.camptuhsmeheeta.org).
