

Family Nature Club: Around The World Adventure

Event Description

Break out your passport for an exciting virtual adventure! Michigan families with school-age children who are Blind or Visually Impaired are encouraged to join our virtual Family Nature Club: Around the World Adventure on April 24. During this event, families will explore the language, foods, traditions, and wildlife of four different countries. A package will be mailed to each family the week of April 12 and will include sample foods, activities, and props for the adventure.

Participants will:

- Have fun learning about four different countries around the world
- Interact with MDE-LIO staff and other families while on their adventure
