Family Nature Club: Earth Explorations

Event Description

Children who are Blind or Visually Impaired and their families will have the opportunity to learn about Earth’s wonders while enjoying the natural landscape of Camp Tuhsmeheta. Families will engage in activities related to Earth’s atmosphere, hydrosphere, and biosphere, and enjoy a visit from John Ball Zoo’s traveling wildlife exhibit. The zoo’s exhibit will include creatures that thrive in the water, on the land, or in the air.

Participants will:

- Learn about Earth’s ability to support life while learning about creatures from the air, land, and water
- Engage in recreation activities while learning about healthy lifestyles
- Practice independent living skills through baking and day-to-day tasks
