

Family Nature Club: Fall Fun on the Farm

About

Celebrate the changing seasons with Anderson & Girls Orchard and Camp Tuhsmeheeta (Camp T)! This one-day camp will allow campers to fully experience traditional autumn fun in Michigan. Families will enjoy the changes of fall while spending time in the great outdoors.

Before going to camp, everyone will meet at Anderson & Girls Orchard in Stanton, where campers will enjoy a petting zoo full of local and exotic animals, followed by a hay wagon ride around the farm. Families will regroup at Camp T to finish the rest of the afternoon and evening with more fun activities and fall treats around the campfire. This is a great opportunity for families to make memories for years to come.

For families who have to travel a long distance, Saturday night lodging and Sunday breakfast may be available at Camp T for no additional cost on a first come, first served basis.

Guide Dogs:

If you plan to bring a guide dog, vaccination and rabies records must be presented at check-in.
