### Saturday, February 23, 2019

9 a.m. - 1 p.m.

The Braille Challenge® is an academic competition unlike any other. This two-stage contest is designed to motivate students who are blind to emphasize their study of braille, while rewarding their success with fun-filled, but challenging, local and national events. Any student with a visual impairment who reads braille is eligible to participate in the preliminary Challenge contest event.

This event is sponsored by the Michigan Department of Education - Low Incidence Outreach in partnership with Genesee ISD.
