## Summer Reading Program 2018

Registration is now open! Mark your calendars for June 24th- August 5th! All contests are designed to be completed at home, so youth across all of Michigan can participate. There will be 3 separate challenges that youth can choose to participate in:

- Create Your Own Sound - In this construction contest, participants will be challenged to build their own instrument from products provided!
- This is Your Jam - In this lyric writing contest, participants will be challenged to come up with a verse for their very own song!
- Reading Rocks - In this reading contest, participants will be challenged to read at least 3 books with a music theme during the program!

By registering early, you are guaranteed a supply kit for the Create Your Own Sound contest, and email updates and reminders about the program. More information about when you will receive your kits, how to submit entries for prizes, and general updates will be sent out in June.

This program is brought to you by the Michigan Department of Education–Low Incidence Outreach (MDE-LIO) in collaboration with the Braille and Talking Book Library (BTBL).
