

Spring Family Fun Packs

About

Sign up to receive a family fun pack to use in the comfort of your own home! This fun-filled pack will include a variety of spring-related activities and supplies for the whole family to enjoy. It will include a cooking recipe, a science, technology, engineering, and math (STEM) activity, a craft, and more. Do not miss out on the opportunity to make memories with your family!

Participants will:

- work on cooking skills
- engage in a STEM activity
- create a craft
- enjoy time with family

Audience:

These packs are for Michigan families of school-age children who are Blind or Visually Impaired.
