

The Braille and Talking Book Library (BTBL) in collaboration with Michigan Department of Education–Low Incidence Outreach (MDE-LIO) is pleased to present:

Build a Better World **with the Summer Reading Program**

Mark your calendars for the **entire month of July** for this year's Summer Reading Program! The theme is *Build a Better World*, and the library is offering the chance for BTBL and MDE-LIO youth 18 and under to enter two different contests:

- ***Build It Your Way*** is a construction contest where participants will be challenged to build something (anything!) without using tape or glue.
- ***Building Your Story*** is a reading/writing challenge.

Registration is now open! By registering early, you are guaranteed a supply kit for the *Build It Your Way* contest, and email updates and reminders about the program.
