

## Supporting Young Children Who Are Deaf or Hard of Hearing

### Event Description

Young children who are Deaf or Hard of Hearing (DHH) have unique learning needs. Attend this two-part virtual workshop to learn about tools and resources to help identify the needs of children, birth through preschool, who are DHH. Gain knowledge of language and communication approach options, evidence-based practices, and resources for ongoing learning and networking.

#### The content of this workshop will be relevant to:

- Early On providers or primary service providers at the beginner knowledge level regarding the needs of children who are Deaf or Hard of Hearing
- School personnel with advanced knowledge of children who are DHH, but beginner knowledge level regarding the needs of young children ages birth to five
