

Classroom Accommodations

For Students With Neurological Visual Impairments

May 15, 2019

From 8:30 a.m. - 3 p.m.

Educators, other professionals, and adult family members of students who are Blind or Visually Impaired (BVI) are invited to attend a one-day workshop geared toward supporting students who have a Neurological Visual Impairment.

Participants will learn:

- How to recognize the visual behaviors of students across all three phases of Cortical Visual Impairment (CVI)
- Guiding principles for accommodations and program planning
- How to determine accommodations that include literacy, math, and daily routines

This workshop will be presented by the MDE-LIO CVI Team.
