

Braille Kit Request Form

“Hooray for Braille” kits are available for young children who are Blind/Visually Impaired (BVI). Kits may be ordered by Michigan residents who have children or work with children who are:

- BVI
- Ages birth to five
- Potentially braille or dual-media readers

To order a kit, complete the form below and submit it to msdb-imc@michigan.gov. Individuals may order as many kits as they have students who fit the criteria (please only order one kit per student).
