

## LIVE With LIO: Skill Development for DHH Educators

The resources below were shared during MDE-LIO's Deaf/Hard of Hearing (DHH) LIVE With LIO webinar on March 31, 2020.

### Professional Development

- MDE-LIO's [ASL Learning and Standards page](https://mdelio.org/deaf-hard-of-hearing/american-sign-language-asl/asl-learning-and-standards) (mdelio.org/deaf-hard-of-hearing/american-sign-language-asl/asl-learning-and-standards) offers a sample of available resources for students, family members, and professionals who are learning American Sign Language (ASL).
- Gallaudet University's Laurent Clerc National Deaf Center provides free [Clerc Center Webcasts in ASL](https://www3.gallaudet.edu/clerc-center/learning-opportunities/webcasts.html) (www3.gallaudet.edu/clerc-center/learning-opportunities/webcasts.html) on a variety of topics related to supporting children and students who are Deaf or Hard of Hearing.
- The Florida School for the Deaf and the Blind's [Pineapple Professional Development](https://learningnetwork.fsdbk12.org/pineapple-pd) (learningnetwork.fsdbk12.org/pineapple-pd) provides free videos and pictures of best practices as well as webinars.

### Listening and Spoken Language

- Central Institute for the Deaf (CID) offers [Free Online Learning Courses](https://cid.edu/professionals/courses-overview/course-listing-page) (cid.edu/professionals/courses-overview/course-listing-page) for parents and professionals who are implementing a Listening and Spoken Language approach with a child.
- [Hearing First](https://hearingfirst.org) (hearingfirst.org) offers online learning and professional networking opportunities for parents and professionals implementing a Listening and Spoken Language approach.

### Cued Speech

- The [National Cued Speech Association](https://cuedspeech.org) (cuedspeech.org) offers informational handouts, videos, and resources in a variety of forms.
- [Cue College](https://cuecollege.org) (cuecollege.org) provides online courses for parents and professionals to learn Cued Speech.

### Early Intervention

- The [National Center for Hearing Assessment and Management \(NCHAM\)](https://infanthearing.org) (infanthearing.org) is a technical assistance center for the implementation of Early Hearing Detection and Intervention (EHDI) programs.
- [Beginnings](https://ncbegin.org) (ncbegin.org) is a non-profit organization dedicated to supporting and empowering parents of children who are DHH with impartial information.

### Transition

- The [National Deaf Center on Postsecondary Outcomes \(NDC\)](http://nationaldeafcenter.org) (nationaldeafcenter.org) provides technical assistance with the goal of improving postsecondary outcomes for individuals who are Deaf or Hard of Hearing.
- The Laurent Clerc National Deaf Center offers [Info to Go](http://www3.gallaudet.edu/clerc-center/info-to-go.html) (www3.gallaudet.edu/clerc-center/info-to-go.html) resources on a variety of topics, including transition to postsecondary life.
