

# Expanded Core Curriculum for Students Who Are Deaf or Hard of Hearing Assessments

The purpose of this section is to provide a list of assessments that can be used to determine the need for instruction or assessing student progress in the Expanded Core Curriculum for Students Who Are Deaf or Hard of Hearing ECC-DHH content areas. Assessments are listed only as a suggestion. Assessing targets may be completed informally or formally. You are encouraged to find additional assessments, including teacher made assessments and other ways to measure student progress. Email additional assessment tool information to Marsha Gunderson at [mgunderson@iowaschoolforthe deaf.org](mailto:mgunderson@iowaschoolforthe deaf.org)

The Assessment Matrix is a quick and easy way to find a list of assessments for each content area. More detailed information on each assessment, including publishers and websites, are listed in the individual content area assessment documents following the matrix.
